In the world we envision, every child's life starts with an awesome opportunity. It's our job to make the possibilities realities and the spectacular achievable.

In Finland, each child is given every chance at success and it all starts with a box – the Finnish Baby Box – which gives children and parents the essentials for a healthy start. Taking a page from the Finnish success story, The Columbia Baby Box Program provides every expecting family residing within the 17512 ZIP code with the supplies needed for a great start. Really, there's no catch. All you have to do is call or return the attached form and your Baby Box will be on its way.

We believe that we all succeed by giving our children the best opportunity to grow up happy and healthy.

What's provided in the Columbia Baby Box:

- A safe place for your child to sleep including a firm mattress and tight fitted sheet
- Onesies
- Bibs
- Wash Cloths
- Socks
- Wearable Blanket
